411 - Freight Mobility Strategic Invest

A001 Policy Development and Implementation

Statewide Result Area: Improve statewide mobility of people, goods, and services

Statewide Strategy: Enhance mobility system quality and service

Expected Results

The Board is committed to the goal of keeping Washington State businesses, manufacturers, and agricultural producers competitive in the global marketplace. To enhance competitiveness, the goals of the board include: reduced congestion on freight corridors providing faster transport times, improved safety in the movement of freight, and reduced cost of moving goods.

A003 Management and Operations

Statewide Result Area: Improve statewide mobility of people, goods, and services

Statewide Strategy: Enhance mobility system quality and service

Expected Results

Achieve better public understanding and support of the importance of freight mobility to the state's economy.

Increase dedicated funding to the Freight Board for construction of freight projects chosen through the board's selection process, and manage fund cash flow. Increase the state's share of federal freight project funding.
